A highly motivated and hardworking individual who has recently graduated Northumbria University with a 2:1 in Computer Science, looking to secure a graduate software developer position which will allow further development of knowledge and skills. Interested in forging a career path in the technology sector, with an end goal of being lead developer on a team with increased knowledge and a greater skillset.

- 2015 – 2018 **University of Northumbria at Newcastle**
- Overall degree awarded at 2:1.
 - First in Small Embedded Systems.
 - Second Class Upper in Operating Systems and Concurrency.
- 2013 - 2015 **York College**
- IT (Software Development) 90 Credit/Extended Diploma Level 3 – Triple distinction (360 UCAS points).
- 2008 – 2013 **Woldgate College**
- 9 GCSEs A* - C including Maths, English and Science.

- Oct 2016 – Jan 2017 **Casual Sales Assistant – Sports Direct Newcastle**
- Served the needs of the customer in an effective manner whilst still providing great customer service. Duties involved selling shoes and working in the stock room. Working in this environment helped improve my team and organizational skills.
- Sept 2016 **Northumbria Student's Union - Volunteer**
- Helped new students move into their accommodation. As well as set up and give new students guided tours of the campus.
- July 2012 **York High School – IT Technician**
- Helped test out new software and hardware. Learnt the basics of health and safety in the work place.

Computer skills – Well versed in MS Word, Excel, Access and PowerPoint. As well as several computer programming languages, which include Java and Python. Can also develop websites.

Driving – full and clean drivers license.
